

Dear Parents,

Welcome back to a new school year at Wix and a special welcome to all, parents and pupils, who are new to Wix.

Wixloisirs, underpinned by the Lycée Francais Charles de Gaulle, is the organisation charged with recreational and after school activities at school. It is run by a committee made up of parents representatives, animators and management.

Every day pupils at Wix from Primary, French and Bilingual are accommodated and supervised by more than 30 adults who ensure that each child spends the after school period happy, safe and fulfilled.

Languages, culture, arts and crafts and even culinary skills are available to hone and who knows where that may lead...

Click here to visit our website [wixloisirs.com](http://wixloisirs.com) and see for yourselves the daily choices on offer: each one tailored to your child's needs.
